<u>Terms & Conditons</u>			
<p>Ensure ground location is of firm and level footing with any additional materials being pre-laid in Readiness (example Paving Slabs etc). Area prepared should be free from any obstruction (example Manhole covers, tree stumps etc). Area Should be free from overhanging obstacles (eg: Tree branches, washing lines & power lines etc). The area should allow the building to be installed providing access to all sides. Please ensure you have pre-checked your garden building 72 hours before your installation reporting and problems to Eden Halls Customer Services on 01242 676625.</p>
